Game Circle Game Dev Summer Training Camp
07/2022
Camp was for intirmidiate level developers and I learned so many concepts that I never used like UniRX, UniTask, DOTween Scriptibale objects...

Dev Jam 2022
I participated on the Jam as a Game Developer it was my first non-online game jam

Panteon Academy
Panteon Academy is a Game developer course offered by Panteon Games I am one of the participants of this program.

Online Game Jams
I participate on online Game Jams as much as I can .I also develop clone games for understand the ideas you can find some of them on my github and Itch.io page from this links: **Itch.io/satas20** ↗ **Github/satas20** ↗

Greeny Game Jam 2022
I participated on the Jam as a Game Developer game was not completely overI did almost all of the code work you can reach the project from this link : The Last Seed ↗
